

## Updated instructions for the Covid-19 situation

### Wi-Fi in the dorms

For technical assistance with computerization and network matters, contact the tech department at Tel. 02-5883450, on Sundays to Thursdays between 8:00-20:00 and on Fridays between 8:30- 13:00. About network connectivity in the dorms : <https://ca.huji.ac.il/dorms>

### The obligation to report about quarantine

Dormitories residents must inform either: dormitory coordinator, or the security department, or the dormitories management, in any case of quarantine requirement, or a probability of such. This applies whether or not they received a directive from The Ministry of Health.

### Traveling abroad

Israeli students are required to inform the dormitory coordinator before traveling abroad. Please note: Students returning from abroad cannot quarantine in the dorms after their arrival.

### Ancillary equipment for exams

The student dean assists the university students in subsidizing ancillary equipment such as a camera or headphones (up to 100 NIS ) or purchasing a net stick (up to 300 NIS ), the purchase will be made directly by the students, and payment will be transferred to the tuition account after invoicing. For more details, please contact Revital at : [dstudents@savion.huji.ac.il](mailto:dstudents@savion.huji.ac.il)

### Compliance with the purple bandage guidelines

The university's management is reinforcing social distance guidelines and mandatory wearing of masks. Violations will be met at first with a personal warning, after which fines will be meted out, with the hope that no further steps will be needed.

### Quarantine in the dorms

The dormitory management does not approve of people remaining in the dorms while in quarantine. Any student who officially declares quarantine to the Ministry Of Health and to the University's authorities will be refunded for the quarantine period.

### The obligation to report a positive Covid-19 result

Dormitories residents must inform either the dormitory coordinator, or the security department, or the university's management, in any case of receipt for a positive, or partially positive, result of a Covid -19 test.

Please note: It is prohibited to be in the dormitories until one is fully recovered. A confirmation of recovery should be sent to the dormitory coordinator, or the dormitory management. After the conformation of health has been submitted, the dormitory management will refund the tenants with the rent for the quarantine period, of up to two-week's duration.

**We invite you to apply to the dormitory coordinators with any question, concern, or exceptional cases that require special attention.**

**We ask everyone to comply with the Ministry Of Health regulations, in keeping a safe social distance and maintaining careful hygiene. We wish you the best of health, and a quick return to routine,**
