

Greetings,

Following the new guidelines of the Ministry of Health due to the new corona variant, we send you a reminder of the Covid 19 guidelines.

We would like to emphasize that we must continue to follow the guidelines of the Ministry of Health, Dormitory Administration, and the University.

Keep wearing masks and maintain social distancing.

Please minimize your contact with other people as much as possible, and contact us via email, telephone, and the dorms website.

We invite you to contact the dorms coordinators with any questions- <https://dorms.huji.ac.il/en/contact-us/>.

Please note that there is no option for quarantine at dorms, and in case of contagion or any other question, immediately contact the dormitory's office or the security division.

We ask everyone to keep the guidelines, maintain social distance and hygiene. You are requested to follow the instructions of the dormitories staff and the Security Division.

Please, follow the rules; they guard us all.

Wishing everyone health and a quick return to normal,
Dormitory Administration
